based entirely on archival research poets in the public sphere traces the emergence of the new woman by examining poetry published by american women in newspapers and magazines between 1800 and 1900 using sources like the kentucky reporter the cherokee phoenix the cincinnati israelite and the atlantic monthly bennett is able to track how u s women from every race class caste region and religion exploited the freedom offered by the nation s periodical press especially the poetry columns to engage in heated debate with each other and with men over matters of mutual concern far from restricting their poems to the domestic and personal these women addressed a significant array of political issues abolition indian removals economic and racial injustice the civil war and not least their own changing status as civil subjects overflowing with a wealth of heretofore untapped information their poems demonstrate conclusively that ordinary nineteenth century women were far more influenced by the women s rights movement than historians have allowed in showing how these women turned the sentimental and ideologically saturated conventions of the period s verse to their own ends bennett argues passionately and persuasively for poetry s power as cultural and political discourse as much women s history as literary history this book invites readers to rethink not only the role that nineteenth century women played in their own emancipation but the role

that poetry plays in cultural life

examining the place of nature in victorian women s poetry fabienne moine explores the work of canonical and long neglected women poets to show the myriad connections between women and nature during the period at the same time she challenges essentialist discourses that assume innate affinities between women and the natural world rather moine shows victorian women poets mobilised these alliances to defend common interests and express their engagement with social issues while well known poets such as elizabeth barrett browning and christina rossetti are well represented in moine s study she pays particular attention to lesser known writers such as mary howitt or eliza cook who were popular during their lifetimes or edith nesbit whose verse has received scant critical attention so far she also brings to the fore the poetry of many non professional poets looking to their immediate cultural environments for inspiration these women reconstructed the natural world in poems that raise questions about the validity and the scope of representations of nature ultimately questioning or undermining social practices that mould and often fossilise cultural identities

t s eliot believed the 1932 1933 norton lectures collected here rather than his more famous 1919 essay tradition and the individual talent represented his mature critical thought his deep erudition his existential doubt and his yearning for order animate these lectures as much as his best poems

from dylan thomas s eighteen straight whiskies to sylvia plath s desperate suicide in the gas oven of her primrose hill kitchen from chatterton s pre raphaelite demise to keats death warrant in a smudge of arterial blood the deaths of poets have often cast a backward shadow on their work the post romantic lore of the dissolute drunken poet has fatally skewed the image of poets in our culture novelists can be stable savvy politically adept and in control but poets should be melancholic doomed and self destructive is this just an illusion or is there some essential truth behind it what is the price of poetry in this book two contemporary poets embark on a series of journeys to the death places of poets of the past in part as pilgrims but also as investigators interrogating the myth
